A nurturing and inspiring introduction to art materials for children and caregivers alike! Little ones explore paints, glue, collage, sculpture, building and craft doughs to their heart's content, while adults are encouraged to take an observant but gently "hands-off" approach to artwork, allowing children to create in their own style. Each class includes creative play, easel painting, and weekly project. We emphasize process over product, and getting messy is a big part of the fun, so please dress accordingly! Lots of art & sensory explorations, plus ideas for artsy fun at home!
